NCCTET

ABOUT

The Department of Information and Communication Technology, Mawlana Bhashani Science and Technology University (MBSTU) is going to organize National Conference on Computing, Telecommunication and Emerging Technologies (NCCTET) 2021. The conference welcomes young researchers to promote scholarly works in the field of computing, telecommunication and emerging technologies. Academics and distinguished speakers from home and abroad will take part in discussion bringing new ideas, inspiration and analytical thoughts on the work-in-progress (WiP) works. The NCCTET is an open and vibrant platform for the young researchers to share their undergraduate and graduate thesis and projects as well as to learn new tools, ideas and can get an opportunity to meet the renowned researchers.

Authors are invited to submit an extended abstract of not more than 350 words. Abstracts should include a title, author(s) full name and affiliation, mailing address of the corresponding author, and 2-4 key words. Official

language of the conference is English. For details (guidelines and submission), please visit conference website at <http://icicts-mbstu.org/>
